Dear Business Owner or Executive:

Hendricks County Humane Society is putting on the 15th annual *Pedaling for Pets* event Saturday September 18, 2010 starting at Danville High School. We credit the ability to continue putting this event on to our wonderful community leaders that so graciously provide financial support to this event. The money that is raised is used for humane education, sponsor pet adoption events, provide low cost spay/neuter services to the community, and to provide financial aid to people in the event of a pet emergency. We can not do these things without your help. We have various commitment levels as detailed below. You can select the level of participation that best suits your organization, and be secure in the knowledge that your sponsorship will be used to help Hendricks County Humane Society fund these outreach initiatives in the community. If you have questions, please let us know and we will be happy to assist you.. Please return your commitment form in the enclosed envelope, or email it to matthewsbritter@yahoo.com, Thank you in advance for your willingness to support the efforts of Hendricks County Humane Society.
