PET FIRST AID

FOR CATS AND DOGS

Course Details:

This class will teach you how to:

- Know when to call for emergency assistance for an injured animal
- Determine what is "normal" for your cat or dog

Identify signals of breathing emergencies, including choking, and provide care for the symptoms you find

- Recognize and provide care for signs of cardiac arrest
- Control life-threatening bleeding

- Recognize and care for signs of sudden illness: including

- poisoning, seizures, and heat and cold emergencies

- How to move an injured pet

This 4 hour course teaches information and skills to help you prepare, prevent, and respond to pet first aid emergencies.

CPR and first aid skills for cats and dogs are taught through hands-on practice on cat and dog manikins.

Each student will receive a Attendance Certificate, Pet First Aid Manual (Cat or Dog specific)

Cost: \$45 There is no minimum age for this class, as long as children attend with an adult. Additional family members can attend for \$25.00, without the book.

(Check with instructor for details)

A separate class for Kids ages 8 and up is available. Cost is \$10 per child and includes a Pet First Aid Book for Kid's.
