The Delta Society Pet Partners Team Training Workshop

Provides you with the skills needed to safely share your animal friend with others in a visiting environment.

Visiting environments includes, nursing homes, schools, hospitals, classrooms, and other facilities.

This workshop is a pre-requisite to becoming a Registered Pet Partner.

COURSE TOPICS INCLUDE:

Determining the best visiting environment for you and your pet.

Learning the special needs of clients in different visiting environments.

Keeping your animal safe during visits.

Explains the difference between Animal Assisted Activities (AAA) and Animal Assisted Therapy (AAT)

HIPPA laws and how they affect you as a volunteer.

Understanding health and Safety codes for facilities.

Infection control policies and much more!

Detach and send with payment:

PRE REGISTRATION IS REQUIRED. Please check which workshop you will attend.
