

## Westgate donates \$1,000 to Hendricks County Humane Society

Westgate Chrysler Jeep Dodge recently held a charitable "Dog Days" event for an afternoon to raise awareness and support for the Hendricks County Humane Society. Families were encouraged to bring their pets to Westgate for several attractions including free caricatures drawn by a local artist, microchipping, doggie treats from "For the Love of Dogs", gift card giveaways to a local pet store, free pet photos, scavenger hunts, food (for people and dogs) and music. The Hendricks County Humane Society brought several adoptable dogs, and Scooby-Doo even made a special guest appearance!

All funds collected during the event were donated to the Hendricks County Humane Society. Westgate also offered to donate a portion of their new car sales for one month, which came out to \$1,000. The check was presented on Thursday, November 11, 2010.
